### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claims 10 and 11 is the inclusion of a sheet delivery portion in a space portion formed between the image-reading portion and the image forming portion; a taper formed on an edge portion of a bottom of the image-reading portion defining the space portion; and a sheet treating apparatus for performing a treatment such as sorting, alignment, or stapling of sheets on which images are formed, is mounted in the space portion in which the sheet delivery portion is provided. This is found in all of claims 10 and 11, but not disclosed nor suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
